

web-app

The diagram illustrates the structure of a web application. It features a large, light blue rectangular container with a dashed black border. Inside this container, the text 'web-app' is centered at the top. Below the text, there is a horizontal row of five elements. The first four elements are light blue rectangular boxes with black borders, containing the text 'Models', 'Hubs', 'Controllers', and 'Components' respectively. The fifth element is the text 'BlazorApp' in a larger, black font, positioned to the right of the four boxes. The entire row of elements is enclosed within a solid black rectangular border.
